FRONTIERS

In Mathematics, Engineering & Science

... is a pre-college program for academically talented soon-to-be juniors and seniors interested in engineering, mathematics, technology and science. Its focus is on material and research methods not traditionally offered in high schools.

Summer Program Scholarship Opportunity For FIRST Participants!

WPI is offering two \$500 FIRST Robotics Scholarships to attend the **WPI Frontiers Program**. Students currently participating in either FIRST Robotics Competition or FIRST Tech Challenge who are admitted to the **WPI Frontiers Program** are eligible. The application for the WPI Frontiers Program is available at www.wpi.edu/+frontiers. *Recipients **must enroll in Frontiers Session II: Robotics**, and are welcome to join us for Frontiers Session I as well!*

Scholarship Application – see reverse

**APPLICATIONS FOR THE FRONTIERS ROBOTICS SCHOLARSHIP ARE DUE
(postmarked by) MAY 31st.**

Please answer the following questions. Feel free to use additional pages:

- 1.) How did you become interested in the Frontiers Robotics Program?
- 2.) Tell us about the contributions you have made to your FIRST team.
- 3.) Why should you be considered for the Frontiers FIRST Scholarship?

Don't forget to apply to FRONTIERS (www.wpi.edu/+frontiers)!!

Name of applicant: _____ **Applicant email:** _____
